Christ stands in the midst of all that we at Oklahoma Christian Schools do. We have placed His cross on each page, knowing that because of it, we may see Him in all that we do at O.C.S. We know that you will see this theme clearly in every section and page of the '79 SPIRIT. Through this book, many memories will be brought to life in the heart and memories of every student. May Jesus continue to be the center of our lives and may we always continue to grow .... IN HIS IMAGE.

Our "Spirit" staff wanted to portray how the Lord has blessed our school, and how He prevails over all in our atmosphere. We realize He has many plans and a great future in store for each of us. Through OCS, the Lord shows and teaches us the pattern to follow for our lives. We hope this yearbook will reveal to all who see it, the different ways Jesus affects every aspect of our lives as we walk "IN HIS IMAGE". In thanks to Him for all these Blessings, we dedicate the 1979 SPIRIT to His glory.

JESUS IN MY SCHOOL

"I see Jesus in my school by the way my teachers care for the students. I can see Him through the way my friends treat me, and act toward me. You can always turn to a friend in this school, and have them pray for you if you feel sick. Bible is taught in every class each day."

*Janet Kenney

"I see Jesus in our school in our teachers and staff members. They care about what happens to you. They love you. Most of the kids love Jesus, they treat you with the kindness Jesus would have shown to you. I see Jesus in my school; it is through the school spirit."

Each year the yearbook staff at OCS works diligently and tirelessly to provide a very fine yearbook incorporating a theme which attempts to communicate in a tangible way the friendly and loving spirit of our school. This year's theme, "In His Image", describes explicitly the goal of OCS with regard to the faculty and student body. Although it is impossible for man to be perfect, it is possible for man to have a perfect heart toward God, characterized by a zealous determination to probe for God's will, and then a willingness to abide by His will. Nothing is more important to me than to know what God wants for OCS and, if we are able to comprehend His desires, and conscientiously try to walk in accordance with His guidance, then we can approach being "In His Image". As you turn the pages, do so in light of the theme and you will be blessed.

Yours in Christ,

This year, instead of formal Administration pictures, the SPIRIT Staff wanted to portray candidly, how, just as Jesus is among us thru our school day, so does our Administration become a part of the day to day events at OCS. We appreciate their loving involvement in all that we do. Constantly, by their example, we find them ... GIVING DIRECTION ... to our growth as individuals.

WHO WILL TEACH YOUR CHILDREN

"I want someone to teach my children mathematics who will not forget to suggest to them two dimensions that are frequently forgotten, the brevity of time and the length of eternity. I want someone to teach my children botany who knows how to analyze and classify flowers, and yet I want him by precept and example to point them to One who said, "Consider the lilies of the field." I want someone to teach my children astronomy who will not hesitate to tell them, "the heavens declare the glory of God," I want someone to teach my children rhetoric who knows and uses correct language but one, too, who knows and serves the One who "spake as never man spake," I want someone to teach my children biology who would not think it out of place to quietly, sincerely remind them that "the blood of Jesus Christ, His Son, cleanseth us from all sin."

"I see Jesus reflected in my school through most of my teachers. I see Jesus in my school when everyone makes a new person feel welcome and is always sweet."

-Sandy Jordan

"I see Him in the smiles of happy faces of the students walking down the halls. In our teachers they are loving, kind, patient, and understanding. This school would be nothing without Jesus. When we have our downs, God always seems to lift us back up.
